Name: Praveen Tiwari

Roll no : 22AE10030

Team: Justice League

My Contribution in the project:

1. Data Collection: Gathered real, authentic raw data for testing, including previous legal cases, their judgments, and comprehensive datasets related to the Indian Penal Code (IPC), Criminal Procedure Code (CrPC), Bhartiya Nyaya sanhita (BNS), Bhartiya nagarik suraksha sanhita (BNSS), Bhartiya sakshya adhiniyam (BSA), Code of Civil Procedure (CCP), Negotiable Instrument ACT(NIA), Indian Divorce Act (IDA), The Indian evidence ACT(TIEA) , and legal proceedings etc. I just gathered related things to these (Not prepared it for model testing and all)
2. Model Testing and Evaluation: Contributed to testing the accuracy and relevance of the machine learning model, ensuring the usefulness of the results in the context of real-world legal scenarios. Played a key role in refining the model's output to enhance the overall project's effectiveness.
3. Documentation and Project Management: Managed all documentation aspects of the project, including progress tracking, organizing project reports, and maintaining records. Also responsible for creating pitch decks and presentations to communicate the project's vision and results effectively to stakeholders.
4. Legal Consulting Support: Provided legal consulting support to the team, leveraging my knowledge and resources from my father's legal background, to ensure the project's legal content aligns with real-life legal standards and practices.
